

Specification

Technical Data Sheet

Product Name	Phosphoric acid 85%
---------------------	---------------------

Product No	17779191
-------------------	----------

CAS Number	7664-38-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	98.00
-------------------------	-------

Specification

Appearance	Clear colourless, free from particles
-------------------	---------------------------------------

Specific Gravity	1.684 - 1.695 (20°C)
-------------------------	----------------------
