

Specification

Technical Data Sheet

Product Name	Murexide (C.I. 56085)
---------------------	-----------------------

Product No	18084818
-------------------	----------

CAS Number	3051-09-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	284.19
-------------------------	--------

Specification

Appearance	Dark maroon to reddish violet powder
-------------------	--------------------------------------

Loss on Drying	$\leq 2\%$
-----------------------	------------

Assay	$\geq 97\%$
--------------	-------------

sensitivity	To pass test
--------------------	--------------

Suitability as a Complexometric indicator	To pass test
--	--------------

Sulphated Ash	$\leq 1\%$
----------------------	------------

Specification

Identification (IR spectrum)

To pass test
