

Specification

Technical Data Sheet

Product Name	N-Acetyl-L-tyrosine
Product No	18176221
CAS Number	537-55-3
Storage Temperature	Ambient
Molecular Weight	223.23
	Specification
Appearance	Solid
Arsenic	<2ppm
Identification	Conforms to reference
Loss on Drying	<0.5%
Melting Point	152-154J
Assay	>99%
Heavy metal(Pb)	<10ppm

Specification

Iron	<30ppm
-------------	--------

Residue on Ignition	<0.1%
----------------------------	-------

Sulfate (SO₄)	<0.1%
---------------------------------	-------

Methyl chloride	<0.1%
------------------------	-------

Tyrosine	<1%
-----------------	-----
