

Specification

Technical Data Sheet

Product Name	5-Nitro-2-furaldehyde diacetate
---------------------	---------------------------------

Product No	18199867
-------------------	----------

CAS Number	92-55-7
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	243.17
-------------------------	--------

Specification

Appearance	off white to light yellow crystalline powder
-------------------	--

Loss on Drying	6≤%
-----------------------	-----

Assay	≥98%
--------------	------

Melting Point (°C)	88°C-92°C
---------------------------	-----------
