

Specification

Technical Data Sheet

Product Name	Ethylene carbonate
---------------------	--------------------

Product No	18369854
-------------------	----------

CAS Number	96-49-1
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	88.06
-------------------------	-------

Specification

Appearance	Colourless and odourless tabular crystal
-------------------	--

Water	$\leq 0.1\%$
--------------	--------------

Assay	$\geq 99.5\%$
--------------	---------------

Colour	≤ 20
---------------	-----------

Relative density	1.321 +/- 0.005
-------------------------	-----------------
