

# Specification

## Technical Data Sheet

<b>Product Name</b>	7-Methylxanthine
---------------------	------------------

<b>Product No</b>	18393522
-------------------	----------

<b>CAS Number</b>	552-62-5
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	166.14
-------------------------	--------

### Specification

<b>Appearance</b>	White to yellow powder
-------------------	------------------------

<b>Purity</b>	min 98%
---------------	---------
