

Specification

Technical Data Sheet

Product Name	Fast Red KL salt
---------------------	------------------

Product No	18510379
-------------------	----------

CAS Number	86780-25-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	246.32
-------------------------	--------

Specification

Appearance	Brown to red powder
-------------------	---------------------

pH	7-8
-----------	-----

Dye Content	>25%
--------------------	------

Moisture	NMT 5%
-----------------	--------
