

Specification

Technical Data Sheet

Product Name	9-Fluorenyl methanol
---------------------	----------------------

Product No	18629123
-------------------	----------

CAS Number	24324-17-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	196.24
-------------------------	--------

Specification

Appearance	White crystals
-------------------	----------------

Purity (HPLC)	$\geq 98.0\%$
----------------------	---------------

Moisture	≤ 0.5
-----------------	------------
