

Specification

Technical Data Sheet

| | |
|---------------------|-------------------------------|
| Product Name | Methyl beta-D-glucopyranoside |
|---------------------|-------------------------------|

| | |
|-------------------|----------|
| Product No | 19056919 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 709-50-2 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 194.18 |
|-------------------------|--------|

Specification

| | |
|-------------------|---------------------------------------|
| Appearance | White to off-white crystalline powder |
|-------------------|---------------------------------------|

| | |
|----------------------------------|----------|
| Specific optical rotation | -35 +/-3 |
|----------------------------------|----------|

| | |
|--------------------|---------|
| Purity HPLC | 98% min |
|--------------------|---------|

| | |
|-----------------|-----------|
| Water KF | 11.5% max |
|-----------------|-----------|
