

Specification

Technical Data Sheet

Product Name	Creatine anhydrous
---------------------	--------------------

Product No	19476390
-------------------	----------

CAS Number	57-00-1
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	131.13
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Melting Point	~290°C
----------------------	--------

Water	≤1.0%
--------------	-------

Assay (NAT)	≥97.5 to ≤102.5%
--------------------	------------------
