

Specification

Technical Data Sheet

Product Name	Dichloromethane SA
---------------------	--------------------

Product No	19811017
-------------------	----------

CAS Number	75-09-2
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	84.93
-------------------------	-------

Specification

Appearance	Clear liquid
-------------------	--------------

Colour (Pt-Co)	≤10
-----------------------	-----

Water	≤0.01%
--------------	--------

Amylene Content	≤60ppm (as stabilizer)
------------------------	------------------------

Non volatile residue	≤0.001%
-----------------------------	---------

Methylene chloride	≥99.9%
---------------------------	--------
