

Specification

Technical Data Sheet

| | |
|---------------------|------------------------------|
| Product Name | Iron(III) chloride anhydrous |
|---------------------|------------------------------|

| | |
|-------------------|----------|
| Product No | 20045444 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 7705-08-0 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 162.20 |
|-------------------------|--------|

Specification

| | |
|-------------------|------------------|
| Appearance | Dark grey powder |
|-------------------|------------------|

| | |
|--------------------------------------|--------|
| Assay (Titration ex-chloride) | ≥98.0% |
|--------------------------------------|--------|
