

Specification

Technical Data Sheet

Product Name	Chromotrope 2R (C.I. 16570)
---------------------	-----------------------------

Product No	20169275
-------------------	----------

CAS Number	4197-07-3
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	468.37
-------------------------	--------

Specification

Appearance	Reddish-Brown powder
-------------------	----------------------

Dye Content	≥85.0%
--------------------	--------

Solubility	Soluble in water
-------------------	------------------
