

# Specification

## Technical Data Sheet

<b>Product Name</b>	1-Naphthylamine
---------------------	-----------------

<b>Product No</b>	20175994
-------------------	----------

<b>CAS Number</b>	134-32-7
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	143.19
-------------------------	--------

### Specification

<b>Appearance</b>	light brown to purple/black solid
-------------------	-----------------------------------

<b>Assay</b>	99.0%min
--------------	----------

<b>Crystallisation point</b>	>45.4 Deg C
------------------------------	-------------
