

# Specification

## Technical Data Sheet

<b>Product Name</b>	Glutaric anhydride
---------------------	--------------------

<b>Product No</b>	20533442
-------------------	----------

<b>CAS Number</b>	108-55-4
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	114.10
-------------------------	--------

### Specification

<b>Appearance</b>	White to pale yellow crystalline powder
-------------------	---

<b>Melting Point</b>	46 - 57°C
----------------------	-----------

<b>Water</b>	≤0.10%
--------------	--------

<b>Assay GC</b>	≥99%
-----------------	------
