

# Specification

## Technical Data Sheet

<b>Product Name</b>	Fast Blue BB salt
---------------------	-------------------

<b>Product No</b>	20599203
-------------------	----------

<b>CAS Number</b>	5486-84-0
-------------------	-----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	831.89
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow powder
-------------------	---------------

<b>Assay/Purity</b>	≥80%
---------------------	------

<b>Melting Point</b>	~157°C
----------------------	--------

<b>Dye Content</b>	≥60%
--------------------	------

<b>Version</b>	To report
----------------	-----------
