

Specification

Technical Data Sheet

Product Name	1-Isoquinolinecarboxylic acid
---------------------	-------------------------------

Product No	20828995
-------------------	----------

CAS Number	486-73-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	173.17
-------------------------	--------

Specification

Appearance	Beige to Pale Yellow Solid
-------------------	----------------------------
