

# Specification

## Technical Data Sheet

<b>Product Name</b>	N,N-Diethylethylenediamine
---------------------	----------------------------

<b>Product No</b>	21103228
-------------------	----------

<b>CAS Number</b>	100-36-7
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	116.20
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless transparent liquid
-------------------	-------------------------------

<b>Physical Appearance</b>	Colourless transparent liquid
----------------------------	-------------------------------

<b>Assay</b>	$\geq 99\%$
--------------	-------------

<b>Ethylenediamine</b>	$< 0.15\%$
------------------------	------------

<b>Water Content</b>	$\leq 0.5\%$
----------------------	--------------
