Technical Data Sheet

Product Name	Catechol Violet (Pyrocatechol Violet)
Product No	21118006
CAS Number	115-41-3
Storage Temperature	Ambient
Molecular Weight	386.38
	Specification
Appearance	Dark green to black/brown powder
Lambda max	441 nm
Assay (titr,)	≥80%
Solubility (10mg/ml, H2O)	Red to brown solution
Suitability as indicator for complexometry	Passes test
