

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,5-Dibromo-p-xylene
---------------------	----------------------

<b>Product No</b>	21151291
-------------------	----------

<b>CAS Number</b>	1074-24-4
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	263.96
-------------------------	--------

### Specification

<b>Appearance</b>	White to light yellow crystalline
-------------------	-----------------------------------

<b>Assay</b>	>98%
--------------	------
