

# Specification

## Technical Data Sheet

<b>Product Name</b>	Nonanoyl-N-methylglucamide (MEGA-9)
---------------------	-------------------------------------

<b>Product No</b>	21276387
-------------------	----------

<b>CAS Number</b>	85261-19-4
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	335.44
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------
