

Specification

Technical Data Sheet

Product Name	6-Trifluoromethylindole
---------------------	-------------------------

Product No	21450571
-------------------	----------

CAS Number	13544-43-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	185.15
-------------------------	--------

Specification

Appearance	White solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------
