

Specification

Technical Data Sheet

Product Name	D-(+)-Phenylalaninol
---------------------	----------------------

Product No	21563330
-------------------	----------

CAS Number	5267-64-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	151.21
-------------------------	--------

Specification

Appearance	Light yellow crystalline powder
-------------------	---------------------------------
