

# Specification

## Technical Data Sheet

<b>Product Name</b>	Mecamylamine hydrochloride
---------------------	----------------------------

<b>Product No</b>	21592353
-------------------	----------

<b>CAS Number</b>	826-39-1
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	203.75
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------
