

Specification

Technical Data Sheet

Product Name	Estradiol valerate
---------------------	--------------------

Product No	21746491
-------------------	----------

CAS Number	979-32-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	356.50
-------------------------	--------

Specification

Appearance	White to off-white crystalline powder
-------------------	---------------------------------------
