

Specification

Technical Data Sheet

Product Name	Diethylene glycol monobutyl ether
---------------------	-----------------------------------

Product No	21823572
-------------------	----------

CAS Number	112-34-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	162.23
-------------------------	--------

Specification

Appearance	Colourless transparent liquid
-------------------	-------------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Water	$\leq 0.3\%$
--------------	--------------

Purity	$\geq 99.0\%$
---------------	---------------

Colour (hazen)	≤ 20
-----------------------	-----------
