

# Specification

## Technical Data Sheet

<b>Product Name</b>	Solketal (Isopropylidenglycerol)
---------------------	----------------------------------

<b>Product No</b>	21833767
-------------------	----------

<b>CAS Number</b>	100-79-8
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	132.16
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless liquid
-------------------	-------------------

<b>Heavy metals</b>	≤10ppm
---------------------	--------

<b>Glycerol</b>	≤0.3%
-----------------	-------

<b>Peroxide</b>	≤20ppm
-----------------	--------

<b>pH (10% w/v in water)</b>	4.0 - 7.5
------------------------------	-----------

<b>Assay (G.C)</b>	≥98.0%
--------------------	--------

<b>Solution 1:1 in water</b>	Clear
------------------------------	-------

## Specification

---

**Water (K.F.)**

$\leq 0.3\%$
