

Specification

Technical Data Sheet

Product Name	2-Bromoisovaleric acid
Product No	22255507
CAS Number	565-74-2
Storage Temperature	Ambient
Molecular Weight	181.03
	Specification
Appearance	Light yellow crystal or white crystal
Identification	Retention time of test solution matches retention time of reference solution.
Melting Point	39.0 - 44.0°C
Assay	≥95.0%
