

# Specification

## Technical Data Sheet

<b>Product Name</b>	Articaine hydrochloride
---------------------	-------------------------

<b>Product No</b>	22493965
-------------------	----------

<b>CAS Number</b>	23964-57-0
-------------------	------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	320.84
-------------------------	--------

### Specification

<b>Appearance</b>	White/off white powder
-------------------	------------------------

<b>Assay</b>	98.5 - 101%
--------------	-------------
