

Specification

Technical Data Sheet

Product Name	trans-2,3-Dibromo-2-buten-1,4-diol
---------------------	------------------------------------

Product No	22602629
-------------------	----------

CAS Number	3234-02-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	245.90
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Loss on Drying	<0.1%
-----------------------	-------

Melting Point	112 - 116 Deg C
----------------------	-----------------

Assay	>98.5%
--------------	--------

Residue on Ignition	<0.02%
----------------------------	--------
