

Specification

Technical Data Sheet

Product Name	1,4-Dioxane
---------------------	-------------

Product No	22652371
-------------------	----------

CAS Number	123-91-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	88.11
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.4205 - 1.4235
-------------------------	-----------------

Assay (GC)	≥99%
-------------------	------

Water Content	≤0.5%
----------------------	-------
