

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium nitrite
---------------------	----------------

<b>Product No</b>	22687979
-------------------	----------

<b>CAS Number</b>	7632-00-0
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	69.00
-------------------------	-------

### Specification

<b>Appearance</b>	Pale cream crystalline powder
-------------------	-------------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Melting Point</b>	271°C
----------------------	-------

<b>Assay</b>	≥98%
--------------	------
