

Specification

Technical Data Sheet

Product Name	Magnesium sulfate heptahydrate
---------------------	--------------------------------

Product No	22772499
-------------------	----------

CAS Number	10034-99-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	246.48
-------------------------	--------

Specification

Appearance	White Crystals
-------------------	----------------

Cd	Max 1ppm
-----------	----------

HG	Max 0.1ppm
-----------	------------

Loss on Ignition	40 - 52%
-------------------------	----------

Pb	Max 3ppm
-----------	----------

Assay (on dried material)	>99.5%
----------------------------------	--------

Se	Max 30ppm
-----------	-----------
