

Specification

Technical Data Sheet

Product Name	Pyridoxine
---------------------	------------

Product No	22876946
-------------------	----------

CAS Number	65-23-6
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	169.18
-------------------------	--------

Specification

Appearance	White to off white crystalline powder
-------------------	---------------------------------------

Identification	Conforms to Reference
-----------------------	-----------------------
