**PRODUCT****Beryllium sulfate tetrahydrate**

|                          |               |
|--------------------------|---------------|
| <b>Product number</b>    | 23001551      |
| <b>CAS number</b>        | 7787-56-6     |
| <b>Molecular formula</b> | BeO_{4}S.4H2O |
| <b>Molecular weight</b>  | 177.14 g/mol  |

| PARAMETER             | SPECIFICATION                |
|-----------------------|------------------------------|
| <b>Appearance</b>     | Colourless to white crystals |
| <b>Assay</b>          | ≥99%                         |
| <b>Identification</b> | Conforms to reference        |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

Molekula Ltd would like to thank you for your support of our products and service.
