

Specification

Technical Data Sheet

Product Name	Picolinic acid
---------------------	----------------

Product No	23001678
-------------------	----------

CAS Number	98-98-6
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	123.11
-------------------------	--------

Specification

Appearance	White Solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------
