

# Specification

## Technical Data Sheet

<b>Product Name</b>	Aluminium hydroxide
---------------------	---------------------

<b>Product No</b>	23089081
-------------------	----------

<b>CAS Number</b>	21645-51-2
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	78.00
-------------------------	-------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>CaO</b>	100ppm
------------	--------

<b>Fe<sub>2</sub>O<sub>3</sub></b>	75ppm
------------------------------------	-------

<b>Na<sub>2</sub>O</b>	1770ppm
------------------------	---------

<b>SiO<sub>2</sub></b>	40ppm
------------------------	-------
