

Specification

Technical Data Sheet

Product Name	5-Fluoroindole
---------------------	----------------

Product No	23113154
-------------------	----------

CAS Number	399-52-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	135.14
-------------------------	--------

Specification

Appearance	Off-white to light brown solid
-------------------	--------------------------------

Assay	≥97.0%
--------------	--------
