

Specification

Technical Data Sheet

Product Name	2-Ethylimidazole
---------------------	------------------

Product No	23213483
-------------------	----------

CAS Number	1072-62-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	96.13
-------------------------	-------

Specification

Appearance	off white to white crystals or crystal powder
-------------------	---

Identification	Conforms to reference
-----------------------	-----------------------

Melting Point	77 - 86 Deg C
----------------------	---------------

Water	<0.3%
--------------	-------

Assay	>99%
--------------	------
