

Specification

Technical Data Sheet

Product Name	Sulfuric acid
---------------------	---------------

Product No	23238854
-------------------	----------

CAS Number	7664-93-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	98.08
-------------------------	-------

Specification

Appearance	Clear colourless to pale yellow liquid
-------------------	--

Grade	Technical Grade
--------------	-----------------

Sulfuric Acid	95.0 - 98.0% (w/w)
----------------------	--------------------

Colour (Hazen)	≤ 50
-------------------------	------
