

Specification

Technical Data Sheet

Product Name	Catechol (1,2-Dihydroxybenzene)
---------------------	---------------------------------

Product No	23426418
-------------------	----------

CAS Number	120-80-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	110.11
-------------------------	--------

Specification

Appearance	Off-white to light brown flakes
-------------------	---------------------------------

Assay	$\geq 99.0\%$
--------------	---------------

Phenol	$\leq 0.5\%$
---------------	--------------

Water Content	$\leq 0.2\%$
----------------------	--------------

Hydroquinone	$\leq 2000\text{ppm}$
---------------------	-----------------------
