

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-Methylumbelliferyl-alpha-L-fucopyranoside
---------------------	---

<b>Product No</b>	23548050
-------------------	----------

<b>CAS Number</b>	54322-38-2
-------------------	------------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	322.31
-------------------------	--------

### Specification

<b>Appearance</b>	White or pale cream powder
-------------------	----------------------------

<b>Assay</b>	≥98%
--------------	------
