

Specification

Technical Data Sheet

Product Name	Gold (III) hydroxide, 99.9% (Cl < 100ppm)
---------------------	---

Product No	23620799
-------------------	----------

CAS Number	1303-52-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	247.99
-------------------------	--------
