

Specification

Technical Data Sheet

Product Name	1,6-Diaminohexane
---------------------	-------------------

Product No	23678266
-------------------	----------

CAS Number	124-09-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.20
-------------------------	--------

Specification

Appearance	White / colourless solid
-------------------	--------------------------

1,2-Diaminocyclohexane	≤ 8 mg/kg
-------------------------------	----------------

Assay (GC)	$\geq 99\%$
-------------------	-------------

Water Content (KF)	$\leq 0.5\%$
---------------------------	--------------
