

Specification

Technical Data Sheet

Product Name	Sodium cyanoborohydride
---------------------	-------------------------

Product No	23955696
-------------------	----------

CAS Number	25895-60-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	62.84
-------------------------	-------

Specification

Appearance	White powder
-------------------	--------------

Molecular Weight	62.84
-------------------------	-------

Assay	≥95.0%
--------------	--------
