

# Specification

## Technical Data Sheet

<b>Product Name</b>	5-(4-Dimethylaminobenzylidene)rhodanine
---------------------	---

<b>Product No</b>	24067530
-------------------	----------

<b>CAS Number</b>	536-17-4
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	264.34
-------------------------	--------

### Specification

<b>Appearance</b>	Red powder
-------------------	------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
