

Specification

Technical Data Sheet

Product Name	5-Hydroxy-1-tetralone
---------------------	-----------------------

Product No	24166652
-------------------	----------

CAS Number	28315-93-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	162.19
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
