

# Specification

## Technical Data Sheet

<b>Product Name</b>	Coomassie brilliant blue R-250 (C.I. 42660)
---------------------	---------------------------------------------

<b>Product No</b>	24234073
-------------------	----------

<b>CAS Number</b>	6104-59-2
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	825.97
-------------------------	--------

### Specification

<b>Appearance</b>	Blue to dark blue powder
-------------------	--------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
