

# Specification

## Technical Data Sheet

<b>Product Name</b>	5-Hydroxyisophthalic acid
---------------------	---------------------------

<b>Product No</b>	24242615
-------------------	----------

<b>CAS Number</b>	618-83-7
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	182.13
-------------------------	--------

### Specification

<b>Appearance</b>	Off-white solid
-------------------	-----------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
