

Specification

Technical Data Sheet

Product Name	Fast Green FCF (C.I. 42053)
---------------------	-----------------------------

Product No	24445751
-------------------	----------

CAS Number	2353-45-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	808.85
-------------------------	--------

Specification

Appearance	Red to brown powder
-------------------	---------------------

Identification	Conforms to reference
-----------------------	-----------------------

Water-insoluble matter	$\leq 0.2\%$
-------------------------------	--------------

Assay	$\geq 85.0\%$
--------------	---------------
